Legal & Data Protection Notices:

This free educational event is offered by The Grifols Academy of Transfusion Medicine. Your attendance is not conditional upon any obligation for you to use, recommend, promote or purchase Grifols products nor is it intended to influence you to do so. Grifols is a manufacturer and distributor of devices and biologics for disease management and prevention as well as solutions for screening blood and plasma. Grifols complies with all federal and state reporting requirements regarding any value or expense associated with this event. Upon registration, your personal contact information will be stored in a database owned and controlled by the Grifols Academy of Transfusion Medicine, with an address of 201 Carlson Circle, San Marcos, TX 78666 USA. The Grifols Academy of Transfusion Medicine will access your contact information to assess your registration application and, if applicable, to maintain, manage and control your participation in the event. Any sensitive personal information you provide (such as your dietary constraints or handicap) will be processed only for the purpose of adapting your participation to the event and, upon finalization of the event, will be eliminated from the records.

By clicking/checking here, I agree to receive email alerts from The Grifols Academy of Transfusion Medicine about news and upcoming events related to immunohematology and transfusion medicine.

For residents of North America: If you no longer wish to receive such information, please send an email to TSEC@grifols.com with "Unsubscribe" in the subject line.
